TNBC 2026 Presidents Report: SEPTEMBER

Hi Members,

Please find my report for September 2026 below.

Finances

We've had another steady month financially, with results slightly up on last month.

We are now heading full tilt into the festive season, with many Christmas parties and functions booked over the next few months. With increased activity around the club, please be mindful of these events and interruptions, and make all our visitors feel welcome at our great club.

Pennants

Congratulations to our Division 3 team on winning us another flag — making it four years in a row for some members of the team. A fantastic achievement!

It was a great game to watch, going right down to the last bowl. I'd like to thank all the members who played throughout the season for their time and effort, as well as everyone who came along to support the team at both finals games — the semi-final at Mooloolaba and the final at Coolum. Your support was greatly appreciated by the team.

A special thank you to Simon Wood, Chairman of the Selection Panel, and all the other selectors for their efforts throughout another great season. All four of our teams performed well, with one team bringing home the flag and the other three narrowly missing out on finals. We also had a great break-up day on Sunday 20th, with bowls, a BBQ and drinks. Thanks again to Simon for organising the day, which was well supported by around 30 players. It was also fantastic to have our major sponsors, Noosa Estate Agents, represented by owner Nathan Howie, at the club. We were pleased to present Nathan with our new club shirt and cap, which look great. We sincerely thank Nathan and the Noosa Estate Agents team for their wonderful three-year sponsorship and continued support of our club.

Repairs & Maintenance – Cold Room

Unfortunately, our cold room has now reached the end of its useful life and requires a complete overhaul. We have obtained quotes and approved a contractor to carry out the required works, which will commence in the near future.

Green 3

Green 3 will be out of play for approximately 3–4 weeks while ongoing green maintenance works are carried out.

This is not a major concern at this time of year, as these works are necessary to ensure our greens are maintained to a high standard and presented well for future tournaments.
